

HIGHMARK[®]

VIRTUAL WALK FOR A HEALTHY COMMUNITY

The 2021 Highmark Walk for a Healthy Community will be an **online only fundraiser and virtual walk**. This year's event will mirror last year's virtual campaign format, due to the ongoing COVID-19 virus situation.

A virtual walk is a real walk, but it's on your terms! Anytime between now and July 15, you choose how and when you walk (treadmill, park or trail, or around the neighborhood) – it's your choice! You also pick the time of when you start and stop!

Please help the **Glock Foundation** in this important fund raising activity so we can continue to support breast cancer research, clinical trials, education, and patient care.

You can earn a Highmark Walk t-shirt by donating or raising at least \$30 for the Glock Foundation. T-shirts will be distributed in late July– early August 2021. Also, one raffle ticket will be issued for every \$50 raised. Raffle chances will be tracked online. Prizes will be sent directly to the winners.

Register and donate towards the walk at:
